Contact Name: _____ Relationship: _____

Home Phone: _____ Cell Phone: _____ Work Phone: _____

Medications: _____ Medical Alerts/Allergies: _____

Please list any injuries, conditions, or illnesses that might affect medical treatment: _____

What follows are the terms governing your Athletes' Training Center Free Trial Session. As used in this Agreement, "Client" means the person becoming a client; "you" also means the Client, but includes the Responsible Party if the Client is less than 18 years old; the "Responsible Party" is the Client's parent or other adult who is legally responsible for the Client; and "we" means the Athletes' Training Center. *By signing below, you agree to all the terms and conditions in this agreement and certify that you have read the entire agreement, so please read it carefully.*

1. **Rules.** The Client must follow all of our rules and regulations for using our facility.
2. **Damage to Facilities.** You must pay us for any damage you or your guests cause to our facility or property.
3. **Client's Physical Fitness.**
 - a. You represent that the Client is physically fit to engage in the activities that he or she participates in at our facility. You are solely responsible for all health risks associated with those activities. If we evaluate the Client's physical fitness or recommend any activities for the Client, that is not a substitute for—and does not relieve you from the obligation of—having the Client's doctor evaluate the Client or recommend appropriate activities for him or her before the Client begins a physical exercise program or engages in any activities at our facility.
 - b. The Client should be examined by his or her physician before using our facility. The Client should consult with his or her physician regularly during the time that the Client is engaging in activities at our facility. If the Client has a history of heart disease, lung conditions that affect breathing or other significant health condition the Client **must** consult a physician before using our facility or joining. He or she may not use the facility or join without such a consultation. If, at any time, the Client develops any of these conditions, then the Client must consult with his or her physician before continuing to use our facility or engaging in any activities. We are not licensed doctors and our advice is therefore limited in scope and is not a substitute for medical supervision and advice, which the Client must obtain independently of us.
4. **Medical Emergency.** In the event of a medical emergency where the above contact cannot be contacted, I authorize Athletes' Training Center to secure whatever medical care is necessary for the safety and well-being of my child. I will assume all medical costs.
5. **Licensees.** We may license certain space in our facility to one or more third parties (each, a "Licensee"). All Licensees are independent businesses. Accordingly, if the Client uses any services offered or performed by a Licensee, that is a matter solely between the Client and the Licensee. We make no representations or warranties with respect to any of the services that are offered or performed by any Licensee and the Client uses the Licensee at his or her own risk. Licensees are not our partners or joint ventures and nothing creates any legal relationship between us and any Licensee other than that of licensee and licensor.
6. **Arbitration.** All disputes and legal claims that you or your guests may have with or against any member of the Athletes' Training Center Group must be resolved through binding arbitration conducted by the American Arbitration Association.

SIGNATURE (if younger than 19 years of age, Parent or Guardian must sign)
